The Estimates under fixed establishment and contingent charges proposed by the President may be accepted as corrected by this Office as per sanctioned scale.

The provision made by the Senior Surgeon on account of furniture is Rs.485/- whereas amount provided by the President amounts to Rs.357/- which may be accepted.

The provisions made on account of fees and travelling allowance to midwives' articles and Bedding and Clothing have been provided in lump both by the Senior Surgeon and the President without making any deduction on account of the quota debitable to Municipal Funds. In the absence of a detailed statement showing the names of Dispensaries to which the articles are to be supplied, the provision made is equally distributed between the District and Municipal Funds in accordance with the usual rule. The provision made on account of repairs of Dispensaries is also allowed to stand. The necessary distribution between the several funds will have to be made in the Secretariat.

Estimates proposed for the Female Dispensary at Chickballapur by the Senior Surgeon and the President as in last year are allowed to stand though the opening of the Dispensary in question has not yet been sanctioned by Government.

The estimates relating to the medical portion.

Order thereon No. 10748-50 dt 22-6-09. 24.6.10.

It is observed that according to the information furnished by the Comptroller the dispensary charges for the year 1910-11 amount to Rs 6134/- while the provision sanctioned therefor in the budget is Rs 7270/- or more by Rs 1136/-, being due to the excess provision made on account of the pay of the Compounders of the newly opened dispensaries. The provision under the Hospitals & Dispensaries will therefore be reduced by Rs 136 (ie) from Rs 7029 to Rs 6893. The total estimated expenditure for 1910-11 will thus be Rs 92703.
